FIRST CLUB RACE 9TH MARCH

WORKING BEE /INDUCTION SUCCESS

On the Australia day holiday Monday 28th of January the track was closed until noon to prepare the track and to have a working bee at the club. It was also new key collecting day for many members with first time members having their club inductions. It was great to see so many members pitching in to help others with small projects around the complex. Still more work is needed by club members to get the track and facilities up to scratch but these efforts went a long way to achieving our goals.

NEW CALENDER FOR 2008

After many hours of looking at race calenders and trying to fit our own club races into this year's tight format. We have finally decided on our club race meeting dates.

The first club race meeting for this year will be Sunday 9th March with the track closed for a working bee and track preparation the day before (Sat 8th Mar.) help needed.

Entry forms for this race meeting will accompany this newsletter or available on our website www.bmmxc.org for further info on club races ring Amanda Spark on 0400806587
