IMPORTANT NOTICE!!!

NIGHT RACE SAT.10TH MAY

DAY/NIGHT RACE MEETING

On the 10th May 2008 the club will run another twilight {day/night} race meeting. In the past these meetings have been very popular with big fields of top riders attending. This race meeting will be run on a three round format. Something new this year will see some junior classes receive prize money instead of trophies. Prize money for seniors has increased to encourage top riders to the event. Already we have had interest from most of Australia's top teams.

Entry forms for the event have been posted and are still available on our website www.bmmxc.org

A great night is expected with jumping castle for the kids and cappachino man on site.

A lot of effort will be required from members to help put this event on.

Sponsorship from local business and from the motorcycle industry has helped financially and the benefit to our club from gate entry takings on the night will boost the clubs potential for maintenance and up keep of our facilities.

There will be a working bee over the weekend prior to the event ie. 3rd and 4th May.

The track will be closed on these days and during the following week for track preparation.

It is important that we have as many members there to help tidy things up around the complex.

WORKING BEE HELPERS NEEDED.

On the weekend of Sat 3rd and Sun 4th May there will be a working bee at the track in preparation for the day/nite race meeting on the Sat 10th May.

This creates a great opportunity for both race and social members to pitch in and help their club. It is a great family atmosphere for members to socialise and help the club too. Remember a club is only as good as its members make it.

There will be a sausage sizzle lunch both days supplied for helpers.

There is a list of jobs to do so you will always know there is something to do when you get there.

There are some weeds to be dealt with so if some members could bring a brush cutter if they have one that would be good.

A General tidy up and over all face-lift is needed to show our awesome track off to the many spectators expected on the night (Sat 10th May.)

Sincere thanks to all that attended the last working bee at the track with special mention of a young bloke by the name of Kye Dennison who worked like a trooper for your club.

TOILET PROBLEM

On many occasions committee members have arrived at the track to find that the toilet door has been open all night.

Some members prop the door open with a chair or wire it open.

The door lock was designed to be opened with the current track gate key from the outside, and easily reopened from the inside with a handle.

The light switches are to the right just inside the door.

The committee acknowledges the small children may feel uneasy about having the door close behind them so we ask **IF YOU PROP OPEN THE DOOR MAKE SURE YOU UNPROP IT BEFORE YOU LEAVE.**

It is important to all members that the toilets are locked against vandels overnight.

MASSIVE SUPPORT FOR RACE

The club is very happy to report that local business has sponsored our night race meeting.

All Bacchus Marsh members will benefit from these sponsors so please support these businesses when ever you can. They are;
Yamaha Australia. Girl Rider Clothing.
Sweeney Real Estate. Bikes Plus.
Evolution Yamaha. Ray White Melton.
Choice Suspension. Race Replica.
R and R Panels. Allpress printing and Signs.
Wilson's Hardware. R T Motorcycles.
Allwest Motorcycles. T T T Truck and Trailer
Bacchus Marsh Farm Supplies.
Bolton Motorcycles. Marshal Engineering.
Slipstream Motorcycles. Scrivens Honda.

Both R.T.Motorcycles and Girl Rider Clothing will have merchandise available on the night.

PERSONAL ACCIDENT INSURANCE

Riders should be aware that if you injure your self whilst riding your dirt bike and you cant work for a while you may be out of pocket for things like food and mortgage payments.

Personal injury and income protection insurance can alleviate some of that burden.

The committee recommends that all members should consider such insurance and therefore have listed a phone number for a representative for Combined Insurance. This agent is keen to meet with members to discuss their income protection insurance. The committee recommends this company because we know of many members who have benefited from it over the years.

PH. Lynda Wyatt 0409928678

YAMAHA RIDE SCHOOL COMMING

Shane Metcalfe will be running a Y-AIM Riding school on Thu. 3rd and Fri 4th July
Entry forms on our website or on www.shanemetcalfe.com or Y-AIM office on 0418890923 or Amanda on 0400806587

TRACK CLOSURE DATES

The track will be closed on the following dates.
