

BMMXC Newsletter!

IMPORTANT NOTICE!!!

2008 membership forms with this newsletter.

Club championship and end of year party success.

Although being squeezed back to one day because of the re running of a western region event. Saturday the 1st of December was a day to look back on with pride, with great fun and enjoyment had by all.

The weather was with us. A mildly hot day where water pistols from Santa came in handy. Speaking of Santa what a great job of push starting, jumping and monoing his motorbike.

He was a little puffed out by the effort and was happy to sit down for a while to give out toys, lollies and drinks for the youngsters. The free jumping castle was also a great hit. The adults too had a good time watching racers receive massive trophies for the event, whilst digging into a great spit roast and salad dinner.

The AGM was held in the morning with congratulations to Kevin Spark being sworn in to the job of Club President. Other new members too came on board the committee which brings great expectation and hope for next season.

2008 Memberships

The '08 membership forms are with this newsletter for 2007 members to have the first opportunity to join for next year.

Please be prompt with your renewal for we have had a lot of interest from new members wanting to join next season. There is a membership cap still in place for total membership numbers, so don't miss out. Membership forms will be available to the general public in January via the Internet on www.bmmxc.org New members need to do an induction at the track before being allowed to ride.

The 2007 membership finishes at the end of January 2008. This is when the lock on the entrance gate is changed and only 2008 members are permitted to ride.

New committee, New ideas

The Newly formed committee has already had a meeting with lots of new things tabled on the night.

Talks of permanent lighting towers for twilight races and a supercross training facility as well as separate motocross and arena cross tracks.

A new canteen is being planned as well as many other exiting new ideas being passed around, including promoting bigger club race events. Look out for future newsletters which will outline these new initiatives.

LEWIE OFF TO AMERICA

The Bacchus Marsh MX Club is proud of the recent achievement of club member Lewis Woods. Lewis has been racing the National Motocross/Supercross circuit for two years. A former Australian Junior Champion, Lewis is now ranked 14th in the Australian Professional Lites class.

His most recent result was 6th in the Oceania Championships (Aust. V NZ). He recently completed a two-week motocross specific training camp at the Institute of Sport in Canberra. He was one of five racers selected to go to America for further experience. This experience will stand him in good stead for the 2008 season.

It has always been Lewis's Dream to race in America. He now has that chance. Being a self-funded trip, Lewis will need help to raise some funds towards the cost of the trip. Lewis would like to thank BMMXClub for its support and assistance. If anyone would like to contribute in any way towards his trip it would be most appreciated.

Please ring 53671783 or 0408671783 if you can help in any way.

Lewis is selling both his 07 Honda CRF 250's for \$7000 each. Both have been rebuilt and refreshed. He also has a selection of Troy Lee Design gear available for purchase: sizes 32 pants, medium jersey, gloves, helmets etc.
