

BMMXC Newsletter!

IMPORTANT NOTICE!!!

Members to pick up 2008 keys in person.

MEMBERS ABUSING KEY PRIVILEGE

After a random membership check at the track late December. It was revealed that a club member had lent his key to 4 other non-members to enter and ride the track.

That same member early that year reported that his key had not been received in the mail, So another key was issued, the second key that was issued was the key the non-members used to gain access.

When approached the offending member said his key he had now was the so-called lost key. The 2008 committee will deal with this member according to our club rules.

Because of this all members must pick up their membership cards and keys in person from the track this year.

There will be certain days when the membership secretary will be at the track for you to pick up your key.

The set day for key pick-up and new member inductions will be Mon 28th January between 10am and 12 noon.

There will be a free sausage sizzle and working bee on this day too.

Membership forms will also be accepted on this day but will not be processed on the day.

Keys and cards will only be issued to members whose forms have been received in last mail Friday.

Reminder to NEW members that the membership starts on the 1st of February. The key you will be issued will not open the track gate until then. You are not permitted to ride the track until this date.

TRACK CLOSED UNTIL 12 NOON ON (Australia Day holiday) MON 28TH JAN

This track closure in the morning of Mon 28th Jan (Australia Day holiday) till 12 noon will allow for track maintenance and provisions for a working bee.

All help will be appreciated on the day to help with general maintenance and clean up at the track.

Free drink and Sausage Sizzle for workers will be supplied

NEW RACE CALENDER FOR 2008

Trying to fit club dates into a very full motocross calendar is not easy, however a calendar will be available soon on our website www.bmmxc.org and with our next February newsletter
